

## Recommendations for use

Always Close the powder bag after use.

Always Close the powder bag after use.

To optimise protection of the powder against oxidation: Take a sachet off desiccant. Put it on the powder and close the powder bag (maximum efficiency).

Blue colour: sachet of desiccant still effective

Pink colour: sachet of desiccant no longer effective

NEVER OPEN a sachet of desiccant.

WARNING

TAKE ALL NECESSARY PRECAUTIONS not to put the sachet of desiccant with the powder in the manufacturing process.
